

IOSS Training Request Form

1. Submission of this form will place you on a waiting list. Preferred method for submission is by email.
2. Submission of this form will place you on a waiting list.
2. The National Cryptologic School (NCS) will send you a registration package.
3. When you return the completed registration form with all required endorsements, the NCS registrar will assign you a seat in the desired class.
4. All early registrants will reconfirm their intention to attend 6 to 8 weeks prior to the desired class date. Classes are usually full 45 days prior to the class date; register as soon as you are able to pick a date.
